By Order dated September 9, 2021, the Court granted the parties' motion for an extension of time to file (i) oppositions to motions in limine; (ii) joint proposed jury instructions; (iii) proposed verdict sheet; and (iv) proposed voir dire questions, from September 10, 2021, to September 24, 2021. (Doc. #355).

The parties' submissions are insufficient.

First, rather than file joint proposed jury instructions, the parties filed separate jury instructions in a single document. The parties are directed to file joint proposed instructions in accordance with this Court's Individual Rule 4.B.i by October 6, 2021.

Second, rather than file a joint verdict form, the parties filed separate verdict forms in a single document. The parties are directed to file a joint verdict form by October 6, 2021.

Third, plaintiff has failed to file proposed voir dire questions. By October 6, 2021, plaintiff shall file proposed voir dire questions or the Court will only consider defendant's submission. (See Doc. #358).

Further, the parties are reminded to email the Court's law clerk copies of the voir dire questions, proposed jury instructions, and a joint verdict form as provided in the Court's Individual Rule 4.B.i.
